9 medical & sanitary conference to be held at Kolar during this month.

It may however be stated that under sec 52 of the Sanitary Act and sec 50 of the Town Police Act, the M funds may be applied into the previous Fund of Govt for any purpose for which the application of such funds is in public interest. It may be held that the work of the above confce and the resolutions passed thereat would be within the preventive and curative side - in the public interest of the State as a whole and it would not perhaps be inappropriate for the local bodies in the Kolar Distt to contribute towards the expenses of the said Conference

10) Hence the D.C. Kolar Distt will be informed that the local bodies may contribute towards the confce, subject to the conditions specified in L.O. dated 19/27 January 1939
